HISTORY OF THE METALS

The **Metals** has proudly been in operation since 1992 and stands as a premier manufacturer of top-tier food-grade Aluminium Cans and Lids. Our journey began in 1992 under the name **Unilux Metal Works**, and over the years, we've evolved into **The Metals**, a distinguished entity within the esteemed **Unilux Group**. Our unwavering commitment to excellence has solidified a strong reputation both in India and abroad, particularly in the Middle East.

We boast a diverse portfolio comprising over 180 meticulously crafted products, and our forte lies in crafting bespoke solutions tailored to our clients' unique needs. At **The Metals**, we place quality and innovative design at the forefront of our operations, ensuring that every product we deliver exceeds customer expectations.

Our state-of-the-art Manufacturing Unit is strategically located in Haryana State Industrial & Infrastructure Development Corporation (HSIIDC) at Manispur, Jagadhri, District Yamuna Nagar, within the vibrant state of Haryana.
